### At Prairie Trail Elementary School, we will:

- Find the value in every child
- Allow for creative, joyful noise
- Be collaborative and willing to share ideas with all stakeholders
- Be innovative and have a growth mindset

We feel that elementary school is a time for exploration. Take a moment to imagine the elementary world: letters, numbers, stories, sharing, experimenting, games, collaborating, reading, problem solving, thinking, puzzles, role-play, reflecting, and the list goes on. Imagination and creativity are everywhere. Learning is accomplished by doing, touching, and experiencing. Each age group is different and unique, yet every child is always growing socially, emotionally, physically, and intellectually. When home, school, and community work together as a team, we can develop the “whole” child. Only through this teamwork will, “All of our students enjoy thriving, productive lives in a future *they* create.”

### ACADEMIC PERFORMANCE
