At Creekside Elementary, we believe that:

- Every child deserves to be educated in a way that prepares them for college if they choose
- Self-discipline is developed through the philosophy of love and logic
- Students should begin to set personal academic goals, track them, and achieve them
- Resilience is explicitly taught through our campus culture of failing forward, accepting all setbacks as opportunities
- Self-awareness and appreciation of others is fostered for all students
- Collaboration, determination and critical thinking are applied beyond the written curriculum through various clubs and community activities

Regardless of how the world or curriculum will change between today and when our students graduate, we believe these are the timeless skills that will make every Creekside Cub a success in the future they create.

ACADEMIC PERFORMANCE

Istation by grade level

Lewisville ISD monitors students' reading progress through the Istation computer program. Teachers can quickly assess which students need help. This chart shows the percent of students reading on grade level or showing six months growth at the end of the school year.

CLUBS

Students engage in learning of their choice beyond the classroom through clubs. Ours include Art Club, Choir, Honor Choir, Book Club, C.O.L.A. Club, Chess Club, Robotics, Media Team, Basketball Club, C.U.B.S. Club, Student Council, Boys-2-Men and Grow Girls.
