At Timber Creek Elementary, we believe:

- Every child can be a leader
- A growth mindset is necessary to embrace learning as a lifestyle
- No child is too young to take their first action steps in visualizing and creating their future

As a Leader in Me School, we promote student leadership and celebrate the rich diversity of our community. We are committed to excellence in providing a safe, risk-free, engaging learning environment that teaches the whole child.

We recognize the importance of nurturing students' academic growth as well as supporting their social emotional health. We are devoted to helping every student discover and develop their individual strengths and talents. We encourage goal setting at an early age and celebrate progress along the way throughout each child's educational journey.

We cultivate a balance of tradition and innovation that ensures our learners are actively engaged in meaningful and relevant work that prepares them for success in the 21st century. We are committed to preparing ALL students to enjoy thriving, productive lives in a future they create.

At Timber Creek, we Build Leaders Today to Change Tomorrow.
