Comprehensive Needs Assessment

Demographics

Demographics Summary

Morningside Elementary stands as one of the 41 elementary schools within the Lewisville Independent School District. It caters to an approximate student population of 352, spanning from Kindergarten to 5th grade. While students from Kindergarten to 3rd grade enjoy learning in self-contained classrooms, 4th and 5th graders engage in a unique instructional model where they rotate among three teachers for core content areas - ELAR, Math, and Science/Social Studies.

Additionally, Morningside Elementary is equipped with five self-contained special education life skills classrooms, specifically designed to support 42 students facing cognitive challenges.

Morningside Elementary's community boasts diversity in its truest sense, comprising a blend of single-family homes, townhomes, apartments, and leased homes. Our community members represent various backgrounds, speak numerous languages, and hold a wide range of professions. Notably, our community has been evolving as many families have seen their children pass through Morningside and move on to middle and high school.

Demographics Strengths

Morningside Elementary has many strengths some of which are:

- A highly engaged and collaborative community of learners.
- An active PTA that includes a large number of committed parents.
- A diverse population that brings awareness and sensitivity to diversity.
- Various clubs and organizations to enrich students' learning experiences such as the Student Council, Safety Patrol, Milage Club, Choir, Theater, and Morning Announcement Crew.
- Highly qualified staff.
- Inclusive, accepting, and positive environment for students and staff.

Student Learning

Student Learning Summary

Istation is a district online reading assessment used with Kindergarten through 5th grade as a resource to monitor students' reading growth. Istation scores are ranked in Tiers. Tier 5 is considered above grade level, Tier 3 and 4 is on grade level, Tier 2 is struggling and Tier 1 is below grade level. The below data shows the percentages of students on Tiers 3-5 as of May 2023 as evidenced by Istation.

Tier 3-5 Percentages:

Kindergarten: 46%

1st Grade: 54%

2nd Grade: 56%

3rd Grade: 67%

4th Grade: 67%

5th Grade: 68%

STAAR scores reveal that students are sustaining their reading proficiency in the 4th and 5th grades. Similarly, math proficiency remains stable in the 3rd and 5th grades. However, there has been a decline in reading scores among 3rd graders and math scores among 4th graders over the past year. Furthermore, the progress in science, assessed during the 5th grade, appears inconsistent.

Student Learning Strengths

In 2022, Morningside Elementary received a B accountability rating from TEA. We remain committed to delivering high-quality learning experiences for our students, both within and beyond the classroom. Our dedicated teachers consistently and effectively implement the LISD curriculum, offering engaging opportunities that foster problem-solving and critical-thinking skills. Our instructional approach is fully aligned with state standards.

School Processes & Programs

School Processes & Programs Summary

LISD has a systematic process for recruiting, interviewing, and hiring qualified candidates to teach in our district as professional teachers and instructional support personnel. Our campus has processes in place to hire and induct new staff to campus and district procedures and acclimate them to their new professional environment. The teachers have the opportunity to meet regularly through team meetings, and PLC meetings. New staff have a campus mentor who also meets with new teachers and staff on a monthly basis.

We are a Restorative Practices Campus and we all strive to help our students understand conflict and how to deal with problems and situations in a productive and solution-oriented mindset.

The administrators review various campus data and collaborate with each other, our staff, instructional facilitators, and community members to work together and determine areas of need that should be addressed. We plan professional development based on campus needs as well as district initiatives. Our BLT works together to be the decision-making team that represents our campus, while grade level and support teams may also make decisions affecting their special areas. We meet with PLC groups bi-weekly and discuss student achievement, data, MTSS, resources needed, progress, etc. We meet with teams as necessary throughout the year and hold staff meetings for the entire campus once a month.

School Processes & Programs Strengths

- Our teams work collaboratively to help each student grow and learn.
- Students have access to a variety of technological devices to enhance their learning experience both on campus and at home.
- We have a campus mentor who assists new teachers in acclimating to their new campus and surroundings.
- PLC groups meet bi-weekly to discuss data, teaching strategies, trends, etc., to help each child be successful.
- Team/grade level meetings occur weekly so teachers can collaborate and plan meaningful, engaging, and authentic lessons for their students.
- We recognize "GenTX Month" in November and promote the importance of higher education, both college and career. Our counselor also creates a Career Day for all Kinder-5th grade students in the spring semester.
- We offer various before and after-school clubs in which students may participate.

Perceptions

Perceptions Summary

Below are the results of our parent survey taken in April 2023. The percentage in front of each question represents those who answered "Agree" or "Strongly Agree" on the survey.

1. 90% Are satisfied overall.
