SUBJECT: Bridlewood ES – IAQ – Air Test for Rooms 201, 504, 506

In response to W.O.#66488: "Rooms 504 & 506 have a funny smell", and to W.O.#66494: "Room #201, check for mold". I have requested EFI to do an Air Test in each of those rooms. We should have the results back by Tuesday 8/21. If you have any questions, please call me.

Thanks,
Paul
