**SUBJECT:** Camey ES – IAQ – Air Test for Room 7

Ruth...

I will have Room 7 tested. Room E2, I should have the results back soon.

Thanks,

Paul

Paul- I would like to have an air quality check done in room 7. It smells very musty.

Also, I have continuing concerns with the air in room E-2 and have moved the program out of that room into a new location because of health problems the teacher and students are experiencing when they are in room E-2. Please advise.
