

COMMITTED TO EXCELLENCE

**DATE:** February 28, 2008

**TO:** Brenda Rogers, Principal

**SUBJECT:** Degan ES - IAQ - Air Test in Rooms NE 28 & NE 32

I received an E-mail from Michael Rogers: "I was at Degan ES last night (2/27). The teacher in NE 28 indicated that there was a musty, moldy smell in her room". I put Work Order #88155 on, as requested by Michael Rogers. This morning, I checked out Room NE 28, and also NE 32 that you had asked to check. I requested EFI to do an Air Test in both those rooms. We should have the results by Wednesday 3/5. If you have any questions, please call me.

Thanks,  
Paul
