DATE: October 16, 2007

TO: Sherry Wagner, Principal

SUBJECT: Highland Village Es – IAQ – Air Test for the Music Room

Sherry...

There is not a set time to recheck after a remediation. I think it would be good to recheck that room to assure the teacher that the room is OK. I have requested EFI to do an Air Test in the Music Room on Tuesday 10/16.

Thanks,
Paul
