**TO:** Sherry Wagner, Principal

**SUBJECT:** Highland Village ES – IAQ – Air Test in Rooms H-703 & H-704

You mentioned that you would like to have Rooms H-703 & H-704 retested because one of the teachers is concerned about the air. I have requested EFI to test the rooms tomorrow Friday 10/5. If you have any questions, please call me.

Thanks,  
Paul
