

The Legacy Garden of Downing Middle School serves as a place of encouragement for new students; direction for current students; and memoriam for exiting students. The Legacy Garden will be lined with a brick that is 4"x8". Students are to inscribe the brick with a word or phrase of advice, encouragement, and/or wisdom to fellow and future students and/or a thank you to DMS faculty/administration. You may see examples from prior years already on display in the garden.

“You can plant seeds of wisdom and encouragement in the lives of present and future DMS students and watch them grow! Please consider purchasing a brick for the Legacy Garden and leave a message for those who will follow...”

ORDER FORM

Each 4"x8" Brick costs \$30. The price includes the brick and engraving of a message (2 lines – 14 characters/spaces per line). **Please Print.**

Line 1 (max 14 characters/spaces)

Line 2 (max 14 characters/spaces)
