

Downing Can prove we are the best middle school!

We can beat Briarhill & Lamar as the school to have the most donations for CCA.

Drop off donations in the front lobby before or after school anytime from November 2-13.

The losing school's principals will have to wear the t-shirts of the winning middle school.

**** When Downing wins, all students will be allowed a slipper & hat day on November 20th. That will signify that Downing students are the best-top to bottom.***
