CONFERENCES

Parent-teacher conferences are regularly scheduled during the school year. Please make every effort to cooperate with teachers in scheduling and meeting these appointments. Conferences between parents and teachers are encouraged anytime they are needed. The elementary report card indicates both academic progress and citizenship. Citizenship grades are extremely important. They indicate the students' acceptance of responsibility, practice of self-control and cooperation with others. Please call the office to schedule conferences. Please respect the teachers' time and your personal time by keeping your scheduled appointment.

GRADES (LISD BOARD POLICY)

Re-teach/Retest

70% OF THE GRADE-LEVEL TEKS WITH 70% MASTERY IS REQUIRED. Should a student fail to master a TEKS, the skill will be re-taught in a small group using a different method. After a suitable re-teaching period, the TEKS will be retested. Tutorials will be required for students below 70%.

Report to parents

1. Teachers will meet all parents within the first three weeks of school.
2. Progress reports will come three weeks into each grading period for students making below 70%.
3. Conferences must be held after each six-week grading period for students having less than a 70%.
4. Please try to make your appointment.
5. Contact to all parents will again be made the second semester. Grade level newsletters will be posted on the school website each six weeks.
6. Please call any time for a conference.

Promotion/grades

Report cards will be sent home each six weeks. Promotion requires 70% mastery of grade level TEKS and 70% mastery in 3 CORE subjects. Grades may be modified for student success through special education, 504, and CORE team procedures. Parents will be notified if any of these options are being considered.

Hicks Elementary participates in the LISD computerized report card. Report cards are sent home in a large white envelope for parent signature. Return the envelope only to your child's teacher.

HOMEWORK

Homework is an educational experience which occurs outside the school hours and is directed by the school. The most rewarding kind of homework is certainly beneficial when the assignments are based on individual needs, interests and abilities of students.

Parents will be notified of each grade level's individual homework policies. Homework assignments shall not be employed as disciplinary measures.

Homework should be a review or extension of what students have learned. Please help your student by providing a quiet place to study or read daily. The 15 minutes to one hour should be free of any interruptions. This is an ideal time to establish good regular study habits.

MEDICATION

A doctor's form is required for all medication. All medication must be in the original container and be accompanied by a note from the parent. ***All medication must be turned into the nurse. No medicine of any type may be kept with the student.***

PARKING

If you are visiting the school, please park in the visitor parking spaces in the parking lot or any other empty space. During school hours do not park in the lane in front the school on the Compass side of the school.

This is a fire lane.

PARTIES

There will be three parties at school-Winter holiday, Valentine's Day and end of school. Birthday parties are not allowed. Party invitations ***may not*** be given out unless there is one for ***every*** child, or ***all boys or all girls***. There are no exceptions! Siblings are not allowed at any school parties.

PERSONAL PROPERTY

All personal items should be marked. The school is not responsible for personal possessions at school. Toys, radios, gum, candy are not allowed unless requested by the teacher, and are only allowed for classroom use. Weapons, or any item resembling a weapon, are strictly forbidden. Strict consequences will result if this policy is broken.

PUBLIC PROPERTY

School buildings and the grounds surrounding the building are public property. Destroying or defacing public property or grounds is a violation of the law. Any student who defaces or destroys the property of our public schools shall be liable as provided by the state law of Texas for such offense.

SAFETY

Safety is very important. We have plans in place for any kind of emergency that could arise, and from time to time we have “drills” to make sure the plans work correctly.

Some general safety rules for the safety of the students at Hicks Elementary.

- Buses have the right-of-way in designated areas. Due to their tight schedule, they must have open and safe access to bus zones. Buses drop-off and pick-up on Compass Drive in front of the school.
- Students are not allowed to walk between cars or cross anywhere other than designated crosswalks, with assistance from the crossing guards.
- Vehicles are not to be left unattended unless parked in designated area. Failure to comply with this policy may result in a ticket from the police department.
- Bikes/scooters must not be ridden on school sidewalks.
- Bikes/scooters must be locked. The school will not accept responsibility for stolen or damaged bikes or scooters.
- Safety rules concerning strangers must be reinforced at school and home.

Health Safety

Students will be given temporary care in the event of illness or injury during school hours. If your child has a medical problem, please make sure that the school is informed. It is important that correct telephone numbers (home, work, mobile, pager, and emergency) are on file in the office and health room.

If your child cannot participate in PE or is unable to go outside during recess, a note must be sent to the homeroom teacher stating restrictions and the number of days for the restriction. A medical excuse may be required from a doctor if repeated requests are made. If a child is restricted from physical activity for more than three days in a row, a doctor's excuse is necessary.

All immunizations should be complete at the time of enrollment. Students will be screened for vision, growth, blood pressure, scoliosis and dental problems at scheduled intervals. You will be informed of concerns or problems that may affect learning and/or health.

No prescription drugs will be given to students unless written authorization is on file in the health room. Medicine must be in the original prescription bottle and will be stored in and dispensed from the health room.

Parents must come to the office to pick up their child and sign him/her out. Please make every attempt to schedule medical appointments before or after school hours.

Pesticide applications are scheduled periodically. Notice is posted in advance and a 12 hour window is maintained after application before students are allowed on premises.

SCHOOL VISITATIONS

Parents are welcome at Hicks Elementary. If you wish to observe in the classroom, the time and date must be scheduled with the Principal prior to the observation. Visitors are asked not to loiter in the hallways. Instructional time should not be interrupted. Parents will not be allowed to wait by the classroom for student dismissal. **All visitors should please sign-in at the office and receive a visitor badge before going to any area in the building.**

SEXUAL HARRASSMENT/SEXUAL ABUSE

All persons, regardless of the person's sex or the sex of the alleged harasser, are protected against sexual harassment occurring within the LISD. Any form or degree of sexual harassment is prohibited.

Sexual Harassment by Students: Students shall not engage in sexual harassment toward another student or a District employee. A substantiated charge of sexual harassment against a student shall result in disciplinary action.

Sexual harassment by a student includes unwanted and unwelcome verbal or physical conduct of a sexual nature, whether by word, gesture, or any other sexual conduct, including requests for sexual favors.

STUDENT REGISTRATION

The state of Texas requires that a child must be five years old on or before September 1st to enroll in kindergarten or be six years old on or before September 1st to enroll in first grade. To register or enroll, a student is required to have:

- Birth certificate
- Immunization record
- Social Security Number
- Parent picture id
- Proof of residency (current water or utility bill (gas or electric bill) to that address)

TARDINESS

It is very important for all students to be in their classrooms at 7:50 a.m. so that they will be prepared and ready for the day by 8:00 a.m. Students arriving after 8:00 a.m. are tardy. Being just a few minutes late can mean a child has missed valuable instruction and will be starting their day off behind the other students. Repeated tardiness will be brought before the attendance committee. Continued tardiness may result in court action. Instruction begins at 8:00 a.m.

TELEPHONES

Please do not tell children to call you at the end of the school day for after school instructions. The use of the telephone by students for outgoing calls is restricted to emergencies only. Children should be told in advance what to do after school or on a rainy day. Students will be called from class only in case of an emergency. Messages may be delivered to students, but these must be kept to a minimum. Student cell phone use on campus is prohibited. LISD policy states if cell phones are confiscated by school personnel, a \$15 retrieval fee must be paid.

TEXTBOOKS

Textbooks used by the school are issued by the state at no cost to the student. These books must be covered at all times. Covers are issued free of charge. Books are the property of the state. Lost textbooks must be paid for at a price set by the Texas Education Agency. Students are responsible for any books that are lost or damaged. Any lost or damaged textbooks must be paid for before the school will release report cards or any other records.

LISD policy states: "The student, parent, or guardian will be responsible for the proper use and care of textbooks. They are responsible for stolen, lost, or damaged textbooks and are required to pay the school for any replacements or fines." Education Code 31.104

\$2.00. Fine for damaged pages to include but not limited to: torn, soiled, or written on

\$10.00 Fine for writing on the outer edges of book pages or damage to outer cover.

Full Price of book for missing pages, lost, stolen, broken binding, or any book deemed unusable by campus coordinator.

TRUANCY

Students who are absent from school without parent/guardian permission are considered truant and shall be subject to disciplinary action.

TUTORIALS

After school tutorial sessions are offered to students as needed. Tutorial sessions include a 45 minute program held twice weekly (on Tuesday and/or Thursday) for any student failing any academic subject. Tutorials are also offered for students who are not failing but need extra help with specific academic concepts. Tutorials are taught by your child's homeroom teacher and/or their Language Arts or Math teacher, if applicable. This program begins after Labor Day and runs from 3:00-3:45 p.m. A signed parent permission slip must be returned to the school prior to implementing tutoring. Progress reports are sent home three weeks prior to the end of the first six weeks grading period and should be signed by the parent and returned to school. After the first six weeks, Progress Reports will only be sent home if your student is failing.

WITHDRAWAL FROM SCHOOL

A parent who wishes to withdraw their student from school for whatever reason must initiate the withdrawal process with the attendance clerk 24 hours prior to the withdrawal. She will give instructions about how to complete the withdrawal process.
